Centaur Linimen .

The great discovery of the age. There is no pain which the Contaur Liniment will not relieve, no swelling which it will not subdue, and no lameness which it will not cure This is strong language, but

will not subdue, and no lameness which it will not cure this is strong language, but it is true. It is no humbug; the recipe is printed around each bottle. A circular containing certificates of wenderful cures of rheumatism neuralgia, lock-jaw, sprains, swellings, burns, scalds, caked-breasts, poisonous bites, frezen tect, gout, salt rheum, ear-ache &c., and the recipe of the Liniment will be sent gratis to anyone. It is the most wonderful healing and pain relieving agent the world has ever produced. It sells because it does just what it pretends to do. One bottle of the Centaur Liniment for animals (yellow wrapper) is worth a hundred dollars for spavined, strained or galled horses and mules, and for serew-worm in sheep. No family or stock-owner can afford to be without Centaur Liniment. Price, 50 cents; aegr bottles, \$1. J. B. Rose & Ce., 53 Broadway, New York.

GENERAL REMARKS. The market during Friday and Satur lay displayed considerable excitement in consequence of the ice blockade at St Louis; but this week opens with soft rainy weather and trade very quiet. Prices however, are held firm and an advance is asked on corn to-day. This is in consequence of the favorable news from below. White and yellow sacked closed to-day at 67@68c and mixed only a cent The audience was not only large, but was or two lower. Transactions are confined almost entirely to the local and order trade. There is a fair amount of oats ofment, so far as the troupe could make it, foring and taken liberally to meet orders; was excellent, the acting of all being as but no speculators were operating in grain

Meal continues somewhat eseited and strong as it has been since the close of the Mississippi This seems to be the only branch of the market that St. Louis has any effect on. Prices are firm at 2 00 and the market almost bare There was quiet a heavy movement in hour on Friday, but the market is very

quiet to-day. Butter and dressed poultry are very corres and in active request. Eggs continue very dull and over-stocked.

The market is full of low grades of hay and some wanted. Choice grades are in active request for the order trade and very little in market.

The leading lines of groceries are firm and advancing. Sugar and coffee are very firm at quatations.

that our quotations represent prices for round lots from first hands, unless otherwise stated, and that in filling small orders higher prices must be paid.

FLOUR-The market during the latter part of last week was active and somewhat excited, but the warm change of the weather and a prospective opening of the Mississippi has cooled it down to-day, We note sales since our last report of 200 bble XXX 7 00: 100 bble low XXX 6 50: winter, to arrive, 7 25; 200 bbla XXX winter, on track 7 00: 600 bbls XXX winter, dei 7 123; 200 bbls choice family

HAY-Common hay in large supply and dull. Choice finds a ready market, and is scarce, very little reaching this market. Sales embrace two cars Prairie del. 11.00; six cars common mixed del. 12.00 @13.00; two ours choice mixed 14 00@ 15.00: four cars oboice timothy del. 17.0000

THE RIVERS. The Obio river fell seven inches in the wenty-four hours ending last evening There is nothing new concerning the Misslesippi worthy of notice. However, if the present condition of the weather continues, that stream will soon be free from ice. Business is looking up.

MINORLAN ROUS.

The Crescent City and barges yesterday got away with 1,000 tons grain, and 1,500 tons miscellaneous freight. The grain was all taken from Halliday Bros. ware-8 20@8 25; 1,500 bbls various grades house This is the largest shipment of grain by any one firm ever made from this city.

John Means tried to go up the Missis sippi yesterday for core, and found a gorge of ice at Thompson's landing, five st, extending from shore to shore, and eaching out as far as she could see up the river. In the evening she took a barge to Madrid to load with grain. Her other barges are being loaded here.

R. A. Babbage took five monito of coal, a fuel barge and a barge of freight for New Orleans.

The Shannon was deeply laden and added a small fot of poultry. Jas. D. Parker brought 20 tons Cairo and added 176 tons which gave her good trip for Momphie. The Evansville packets have not

brought much down lately. The river is igh yet, for the farms to get to the river with their corn, being blocked off by the water and ice in the sloughs. The John A Wood passed down with a
